Dear Sirs:

Re: Final Confirmation Letter - Municipal Policing Budget 2016/17

[Your File E753-23-1]

The City writes in response to Mr. Xiao's letter dated February 29, 2016. A Confirmation Letter on the Municipal Policing Expenditure Cap for 2016/17 was requested by May 2, 2016. We regret this letter could not be provided until the City's 2016 budget process was concluded. On May 12, 2016, Council of the City of Williams Lake adopted 2016-2020 Financial Plan Bylaw No. 2246, 2016. Bylaw 2246 includes funding for municipal policing services. The Final 2016/17 contract strength remained unchanged from 2015/16 at a total of 24 members (the policing expenditure cap).

With respect to the City's Approval in Principle Letter for 2016/17 dated February 1, 2016, and issued for planning purposes, please note the following:

1. Detachment strength dedicated to the City of Williams Lake at 24 members was correct;
2. There is an error in the \$4,125,000 estimate – that figure was provided by the RCMP for 25 members – an increase to 25 members was not requested/approved by the City;
3. Overtime/Reservists \$215,978, Accommodation \$352,460, but not Integrated Teams' costs.

If you require any clarifications or additional information, please do not hesitate to contact us.

Yours sincerely,

W.D. Wallace

Dear Sir:

Re: Municipal Contract Policing Resource Request – 2012/2013

This Letter of Approval in Principle is issued to conform to the Federal Treasury Board requirements to enable the Federal Government to set aside sufficient financial resources to cover their share of the Municipal RCMP contract costs.

The City of Williams Lake anticipates that we will require no additional members to our detachment strength of 24 and that the total detachment strength will remain at 24 for the 2012/2013 fiscal year. The per capita estimate excluding overtime costs, approved in principle at 100% is \$3,487,920 (of which our municipality is responsible for 70%). The budget for overtime and reservists at 100% is \$184,410. If applicable, the estimate for accommodation at 100% is \$234,432 and LMD Integration Units is \$0.

As outlined above, this letter provides an "approval in principle" and is issued for planning purposes only. It should not be taken as approval to add anticipated members to the detachment. City Council met on June 21 to confirm the 2012/13 budget based on no additional human resources.

If you have any questions, please call the undersigned at (250) 392-1762.
